Gather<sup>TM</sup> (25)

A global prayer initiative

ANOTHER  
WAVE  
ROLLS IN!

# Gather ∴ Eastbourne

SATURDAY 1<sup>ST</sup> MARCH 2025

Imagine the 2.5 billion Christians in the world praying together on one day for the 5.5 billion who do not yet know Jesus.

That's the ambitious aim of Gather 25: a 25 hour cycle of prayer in which every home, home group, congregation and area-wide church can join.

A proposal for Eastbourne is:

- **DURING THE DAY:** each local church is invited to take part during the day by planning their own bespoke prayer occasion or programme to pray for Eastbourne and beyond.
- **FROM 7-10 PM:** united prayer gatherings across the Eastbourne area meet to pray together while tapping into the Gather 25 global live-streamed programme. (This is a UK led core session - one of seven core time zoned sessions across the continents).
